

We proudly make Sushi exclusively with Brown Rice.

Shino's creation of Brown Rice Sushi

As your favorite sushi bar, Shino's contribution to your health and well-being starts with natural KOSHIIKARI brown rice. We use only partially milled whole grain brown rice. Less processing means better nutrition for you. Not only is brown rice rich in vitamins and minerals but it also aids in digestion. As you are transitioning to a healthier lifestyle, brown rice is an easy change to make. Our menu includes both wonderful combinations of brown rice and vegetables in addition to familiar and traditional choices. So, come to Shino, where one of our goals is to help you look and feel better, while you enjoy your food and life! Celebrate our contemporary creation of the new style sushi! Set the trend - don't follow it.
